

DEAN BROUGH

CANDIDATE FOR TRUSTEE AT LARGE

PROFILE

A short time ago I was approached with the idea of running for a position as a trustee for the Johnson Water District. After some thought I decided that I would like to serve on this board. After serving thirty six years with the U.S. Postal service, the last twenty as postmaster at the Myton, Utah post office, I have now retired and feel that I have the time to give this position. Thank you for your support.
