CANDIDTE FOR TRUSTEE AT LARGE

EXPERIENCE

Peggy has had the opportunity over the years in getting to know and talk to the people within the Johnson Water Service District area. Being within a service precinct area herself, she understands the desires of precinct members wanting to have clean, safe water delivered efficiently, and in an affordable manner. She Knows and understands the importance of members being able to access updated information concerning Johnson Water news.

GOALS

Peggy believes that district members are the key element within the service district. She feels that each district members voice is of value, and she wants to build on the resources available to district members so they have access to current information, i.e., social media, website, reports, and meeting minutes. Increasing communications from board members to precinct membersto be in the know of the decision making processes that might affect their precinct or the service district as a whole.

This is why Peggy is seeking your support and vote for the Johnson Water District "Trustee at Large". As your board member she will focus upon the mission statement of Johnson Water Improvement District in supplying dependable, quality water to its precinct members in the most efficient, responsive, affordable, and informative way.

Thank you for your support.
